Hearts with Hands Stands Ready to Respond to Tropical Storm Helene

Swannanoa, NC, September 24, 2024: 3:00 PM EST. || In light of the impending Tropical Storm Helene, Hearts with Hands is mobilizing its resources and volunteers to provide support to affected communities. We are closely monitoring the storm's trajectory and are prepared to respond as needed to assist those impacted by the severe weather. Hearts with Hands has a proven track record of delivering aid during times of crisis, and our dedicated team is on standby to deploy quickly to areas that may require immediate assistance. We are coordinating with local emergency management agencies to ensure our efforts align with community needs. As we prepare for potential impacts, we encourage community members to stay informed about the storm and to have emergency plans in place. For those who wish to support our efforts, donations can be made through our website, where we also provide updates on our response activities. For more information about Hearts with Hands and our initiatives, please visit our website or follow us on Facebook and Instagram.
